Fox and Tracks

Please Read and Follow Instructions Carefully to Ensure a Successful Project!

Cutting Instructions:

- A. Panel or Theme Fabric (P4358-293)*:
Centering Design, cut 26 1/2" x 40 1/2"
- B. Panel Frame / Inner Border (885-D7):
Cut (6) 2 1/2" x WOF* strips
Subcut (3) 2 1/2" x 40 1/2" strips
Set aside remaining strips for side inner border
- C. Fox Track Four Patches (1895-414, 1895-594):
Cut (2) 3" x WOF strips from EACH of 2 fabrics, one light and one dark
- D. Fox Tracks Half Square Triangles (1384-174, 885-461):
Cut (1) 6" x WOF strip from EACH of 2 fabrics, one light and one dark
Subcut (4) 6" x 6" squares from each strip. Total (8) 6" x 6" squares
- E. Outer Border (1384-612):
Cut (6) 2 1/2" WOF strips
- F. Binding (1384-612):
Cut (6) 2 1/2" x WOF

**Did you know?*

For this pattern, if you have a panel or theme fabric that doesn't have a 26 1/2" vertical measurement, you can adjust the vertical cut on your fabric anywhere from 22 1/2" to 26 1/2". This will not affect the rest of the pattern design.

***WOF = Width of Fabric From Selvage to Selvage**

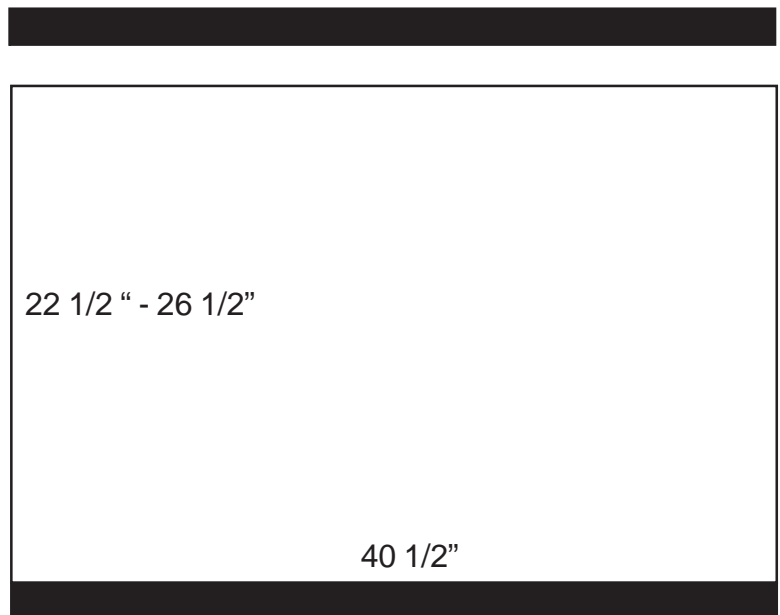

Note: All measurements are based on a 1/4" seam allowance unless otherwise noted.

Piecing Instructions:

Panel Border:

Using (2) (B) 2 1/2" x 40 1/2" Panel Border strips, join to Top and Bottom of Panel Fabric. See Diagram 1. Press seams toward Border Strips. Your center will now measure 40 1/2" x 30 1/2" if using a 26 1/2" x 40 1/2" vertical panel.

Diagram 1

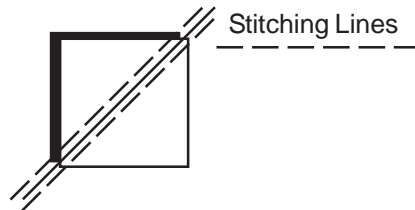

Piecing Continued:

Fox Track Blocks:

Half Square Triangles:

Following Diagram 2, below, take one (B) Fox Track 6" square Dark fabric and one (B) Fox Track Light 6" square fabric. Place the (B) Fox Track 6" square Dark fabric right sides together with a (B) Fox Track 6" square Light fabric. Draw a line diagonally from corner to corner. Stitch $\frac{1}{4}$ " on both sides of diagonal line. Cut squares on diagonal line to create two half square triangle blocks. Press seams toward Darker fabric. Square down blocks (center diagonal stitching line with diagonal line on ruler running corner to corner and trim) to $5\frac{1}{2}$ ". Repeat using remaining 6" Dark and 6" Light Fox Track fabrics. Make (8) $5\frac{1}{2}$ " x $5\frac{1}{2}$ " Half Square Triangle Blocks.

Diagram 2

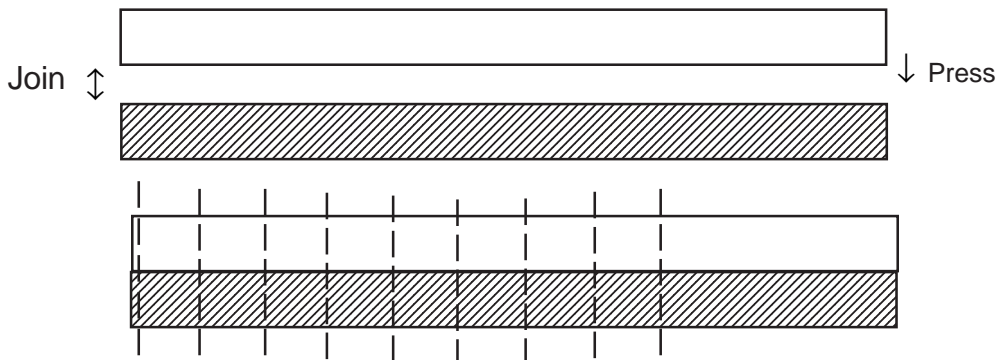

Open block and press seam toward Dark fabric. Square blocks to $5\frac{1}{2}$ ". Make (8) blocks.

Four Patch Blocks:

Following Diagram 3, below, join a (C) Dark 3" x WOF strip to a (C) Light 3" x WOF strip. Press seam toward darker fabric. Make (2) strip sets.

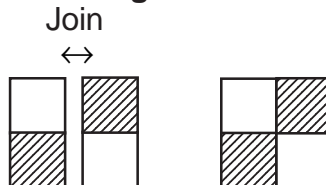

Diagram 3

Next, cut each strip into (8) 3 " x $5\frac{1}{2}$ " segments for a total of (16) segments.

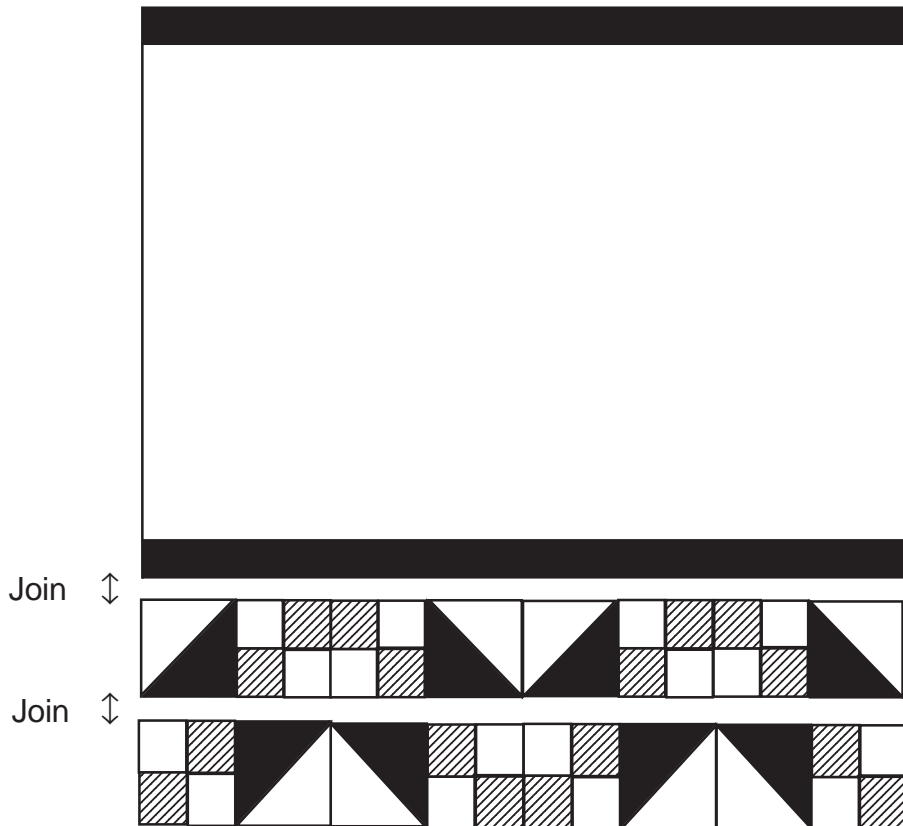

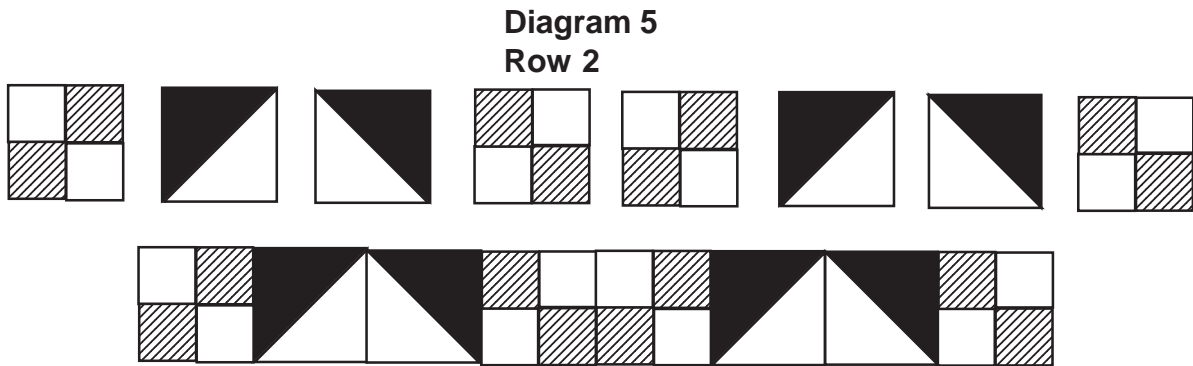

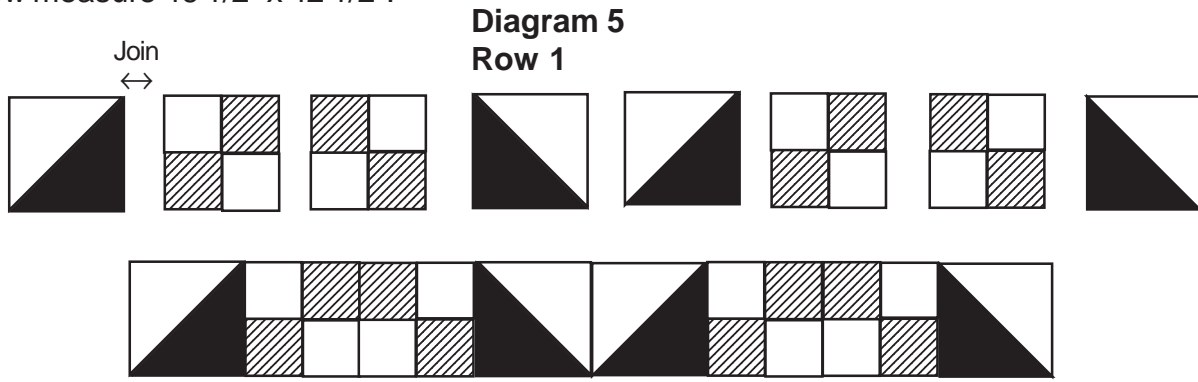

Following Diagram 4, join (2) segments together as shown creating a Four Patch. Make (8) Four Patch Blocks. Four Patch block will measure $5\frac{1}{2}$ " x $5\frac{1}{2}$ ".

Diagram 4

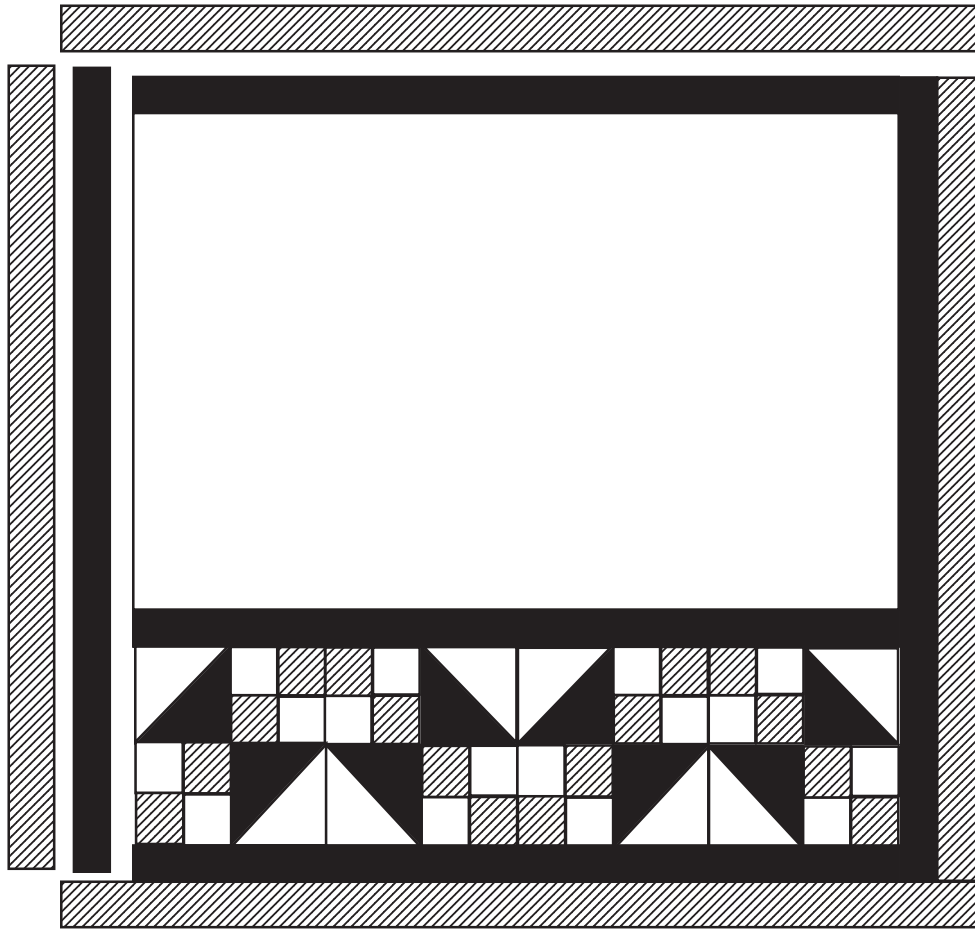

Press seam toward Dark fabric. Blocks will measure $5\frac{1}{2}$ " x $5\frac{1}{2}$ ". Make (8) blocks.

Following Diagram 5, join Half Square Triangle Blocks and Four Patch Blocks into rows. Make (2) rows.
 Attach your two rows to the bottom of Panel segment created on Pg. 1.
 Top will now measure 46 1/2" x 42 1/2".

Layout Diagram

After joining pieced blocks to panel section, join a (B) 2 1/2" x 40 1/2" Panel/Inner border strip to bottom of pieced rows. Then following Border instructions, add side Inner Borders.

Borders:

To determine the length of the inner side borders, measure quilt through the middle from top to bottom. Using (B) 2 1/2" Inner Border strips, cut to equal this measurement. Make (2). Attach border strips to sides of quilt. Press seams toward inner border.

To determine the length of the outer side borders, measure quilt through the middle from top to bottom. Using (E) 2 1/2" Outer Border strips, join to equal this measurement. Make (2). Attach border strips to sides of quilt. Press seams toward outer border. Next, measure quilt through the middle from side to side to determine the length of the top and bottom outer borders. Using remaining (E) 2 1/2" Outer Border strips, join to equal this measurement. Make (2). Attach to the top and bottom of quilt and press seams toward outer border. Quilt will now measure 48.5" x 46.5" (if using a 26 1/2" x 40 1/2" center panel).

Quilting:

Sandwich quilt top with batting and backing. Baste layers together and quilt as desired to enhance design.

Binding:

Join together (F) 2 1/2" Binding strips and bind using your favorite method.

Enjoy Your Beautiful Creation!
