# RACCOON RAVINE

Finished Quilt: 41 1/2" x 48 1/2"

Quilt design by Kari Nichols of Mountainpeek Creations, featuring Call of the Wild, a Spectrum Digital Print. Great project to make a panel become a quilt. Easy blocks to teach for beginner class. Fantastic kit.

## \*Did you know?

For this pattern, if you have a panel or theme fabric that doesn't have a 26 1/2" horizontal measurement, you can adjust the horizontal cut on your fabric anywhere from 22 1/2" to 28 1/2". This will not affect the rest of the pattern design. (Yardages may change with larger panel size.)

**\*WOF = Width of Fabric From Selvage to Selvage**

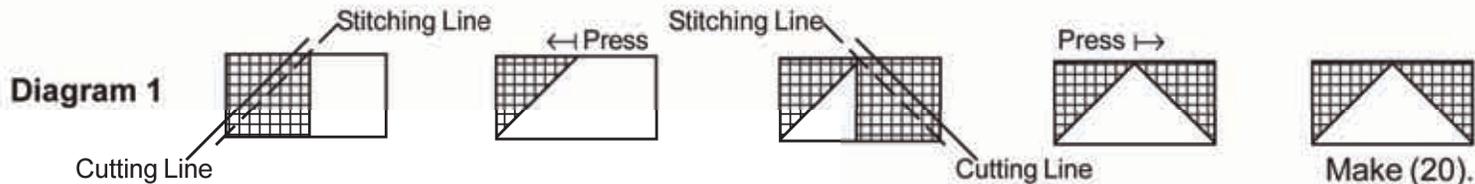

**Note:** All measurements are based on a 1/4" seam allowance unless otherwise noted.

## Piecing Instructions:

### Star Blocks, Flying Geese:

#### Flying Geese:

Following Diagram 1 below, place a (C) 2 1/2" x 2 1/2" Star Point square on the left side of a (B) Star Background 2 1/2" x 4 1/2" Rectangle. Draw a diagonal line from the outside bottom corner to the inside top corner and then stitch on this line. Trim 1/4" away from stitch line. Press seam toward (C) Triangle. Place second (C) 2 1/2" x 2 1/2" Star Point square on opposite side of the (B) 2 1/2" x 4 1/2" Star Background Rectangle and draw another diagonal line from the outside bottom corner to the inside top corner and then stitch on this line. Trim 1/4" away from stitch line. Again, press seam toward (C) Triangle. Repeat this process with all (C) 2 1/2" x 2 1/2" Star Point squares and (B) 2 1/2" x 4 1/2" Star Background Rectangles. Make 20.

## Piecing Continued:

### Four Patches:

Following Diagram 2, below, join the (2) (D) 2 1/2" x WOF Four Patch strips. Press toward darker fabric. From you strip set, cut (10) 2 1/2" x 4 1/2" Rectangles.

**Diagram 2**

Using (2) segments created above, reversing fabrics, join to create a Four Patch block. Block will measure 4 1/2" x 4 1/2". Make (5).

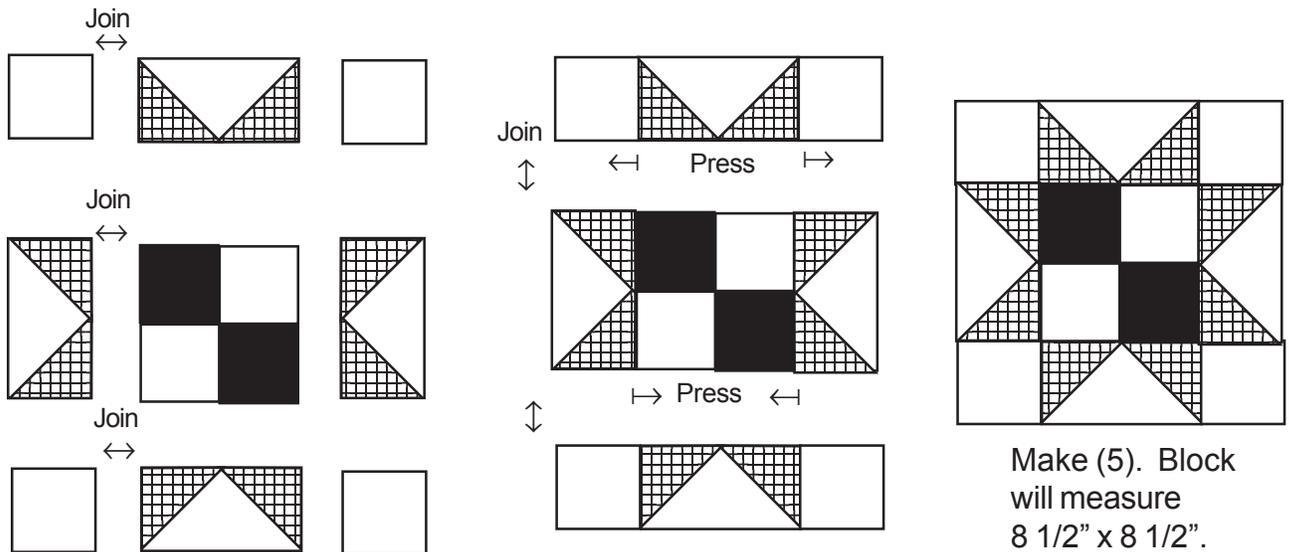

**Diagram 3**

### Star Block:

Following Diagram 4, below, join segments made in Diagram 1 and 3 with (B) 2 1/2" x 2 1/2" Star Background squares to create your star block. Block will measure 8 1/2" x 8 1/2". Make (5).

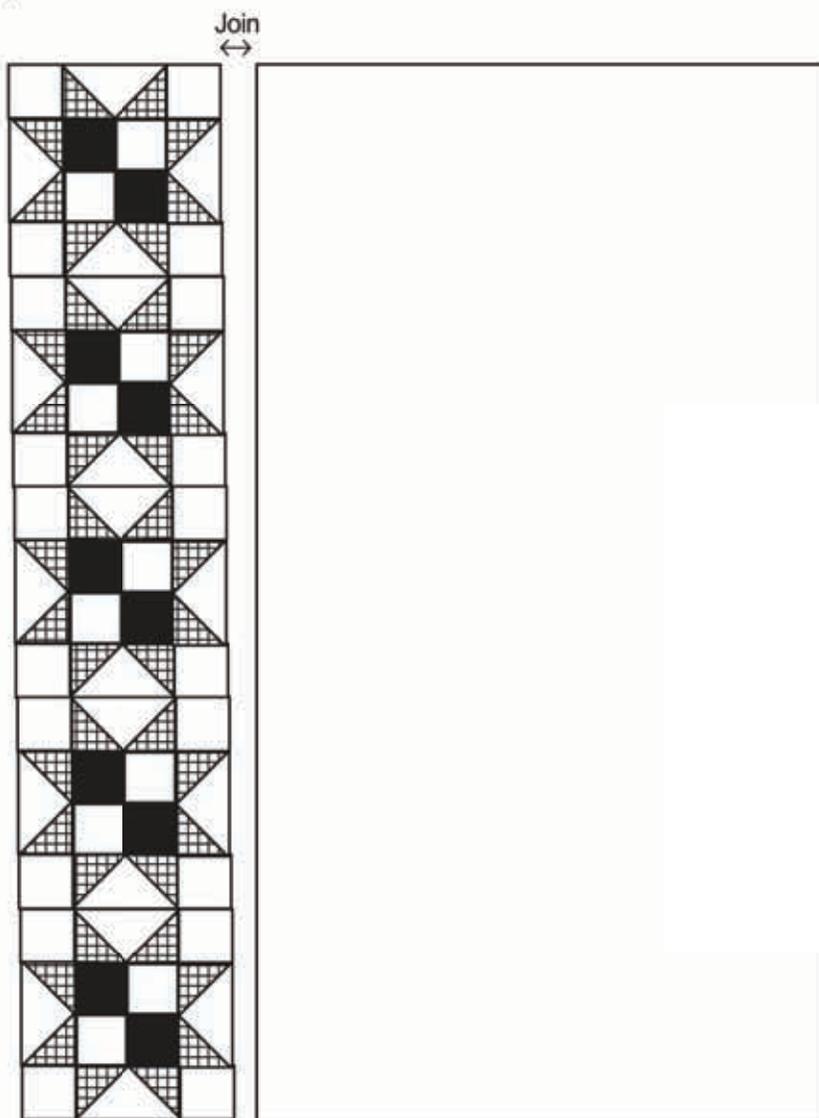

**Diagram 4**

Make (5). Block will measure 8 1/2" x 8 1/2".

Join (5) Star Blocks into a vertical row. Row will measure 8 1/2" x 40 1/2".

Join Star Blocks to Theme Fabric 26 1/2" x 40 1/2". Press seam toward Theme Fabric. Quilt top will now measure 34 1/2" x 40 1/2".

### **Borders:**

To determine the length of the inner side borders, measure quilt through the middle from top to bottom. Using (E) 2" Inner Border strips, cut to equal this measurement. Make (2). Attach border strips to sides of quilt. Press seams toward inner border. Next, measure quilt through the middle from side to side to determine the length of the top and bottom inner borders. Using remaining (E) 2" Inner Border strips, join to equal this measurement. Make (2). Attach to the top and bottom of quilt and press seams toward inner border. Repeat this process with (F) 3" Outer Border strips, joining strips to equal measurements. Your quilt top should measure 42 1/2" x 48 1/2". See full layout diagram on Pg. 4.

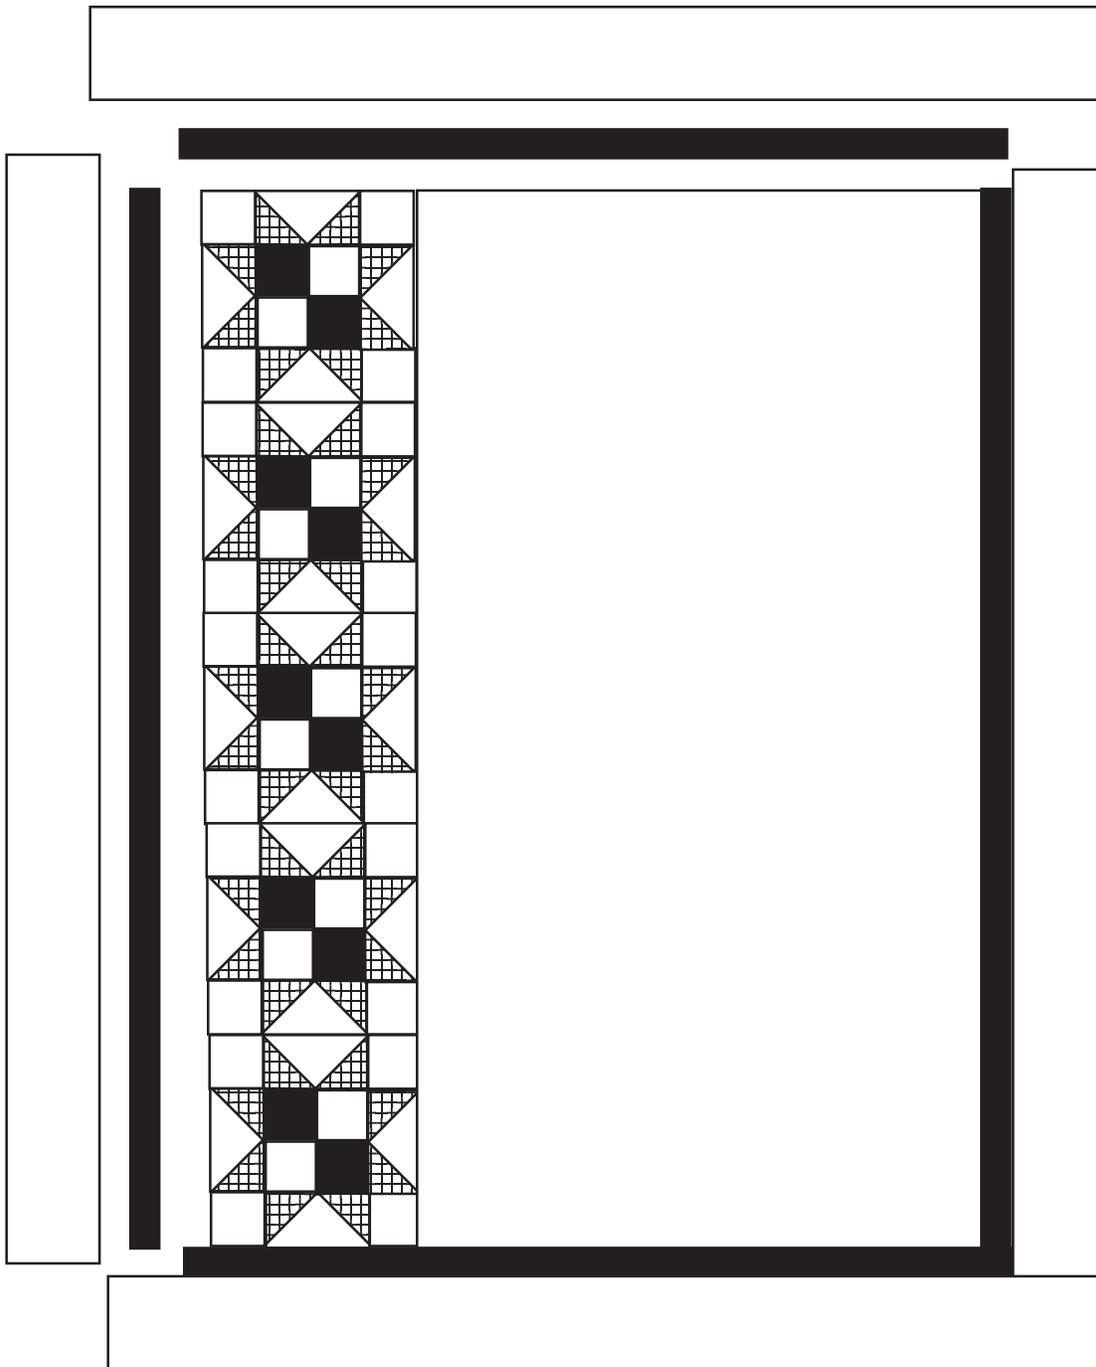

### **Quilting:**

Sandwich quilt top with batting and backing. Baste layers together and quilt as desired to enhance design.

### **Binding:**

Join together (G) 2 1/2" Binding strips and bind using your favorite method.
