

HOFFMAN FABRICS
EST.1924

... if you love to quilt or love a quilter.

TWINKLE

BEGINNER | ONE FULL DAY CLASS

Finished Quilt: 72" x 86"

Quilt design by Stephanie Prescott of A Quilter's Dream, featuring A Cardinal Christmas and Winter Blossoms. A snowball, a flying goose and some rectangles walked into this fun quilt! Simple techniques come together in this holiday spinoff.

Twinkle

72 x 86

Fabric Requirements:

Background—4 $\frac{1}{4}$ yards

Focal Prints (7 fabrics) - $\frac{1}{4}$ yard each

Accents (4 fabrics) - $\frac{1}{2}$ yard each

Cutting Instructions:

From the background cut:

1 - 14 $\frac{1}{2}$ inch strip sub cut into:

(4) 7 $\frac{1}{2}$ x 14 $\frac{1}{2}$ inch units

6 - 8 $\frac{1}{2}$ inch strips sub cut into:

(28) 2 $\frac{1}{2}$ x 8 $\frac{1}{2}$ units and

(28) 4 $\frac{1}{2}$ x 8 $\frac{1}{2}$ units

6 - 6 $\frac{1}{2}$ inch strips sub cut into:

(28) 2 $\frac{1}{2}$ x 6 $\frac{1}{2}$ units and

(28) 4 $\frac{1}{2}$ x 6 $\frac{1}{2}$ units

10 - 4 $\frac{1}{2}$ inch strips sub cut into:

(56) 4 $\frac{1}{2}$ x 4 $\frac{1}{2}$ units and

(56) 2 $\frac{1}{2}$ x 4 $\frac{1}{2}$ units

From each of the 7 focal prints cut:

1 - 8 $\frac{1}{2}$ inch strip sub cut into:

(4) 8 $\frac{1}{2}$ x 8 $\frac{1}{2}$ squares (28) squares total

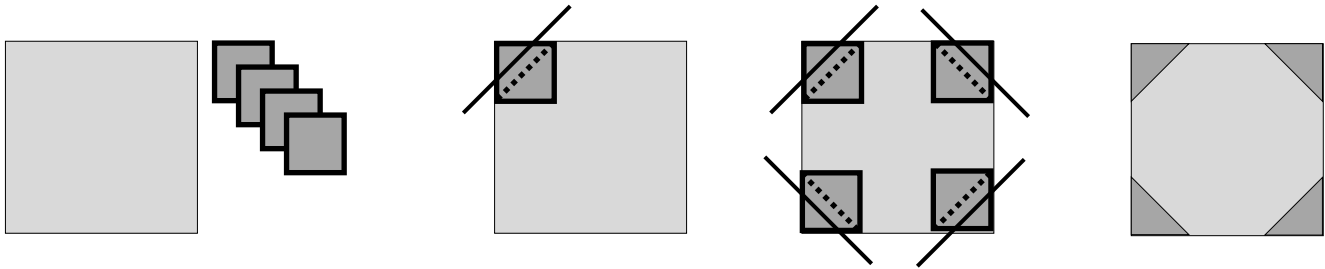

From each of the 4 accent fabrics cut:

6 - 2 $\frac{1}{2}$ inch strips sub cut into:

(84) 2 $\frac{1}{2}$ x 2 $\frac{1}{2}$ squares (336) squares total

Block Construction:

1. Take (4) of one of the focal $8\frac{1}{2} \times 8\frac{1}{2}$ squares and (4) $2\frac{1}{2} \times 2\frac{1}{2}$ squares of each accent fabric (for a total of 16 small squares).
2. Start with one focal square and 4 accent squares from one of the fabrics.
3. Place one accent square in the top left corner of the focal with the right sides together. Draw a diagonal line from corner to corner as shown Sew on the diagonal line from corner to corner of the accent square. Sew 3 more accent squares to each of the other 3 corners on the focal square. Note the direction change of the diagonal for each corner. Cut off excess fabric $\frac{1}{4}$ inch above seam line. Press the stitched block open.

4. Repeat this process with the other fabrics from step #1 until you have 4 total snowball squares made.
5. Follow steps #1-4 using the other focal fabric and accent squares to make snowballs. **Make sure that the focal squares are paired with each of the 4 accent fabrics yielding one of each snowball.**

The steps below are all sewn in the same corner and the same direction.

In the same way as the snowball technique before, sew one accent square to the bottom **left** corner of each background unit. See diagrams below. Note: this is a great time to string piece.

- ◆ Sew all (28) $2\frac{1}{2} \times 8\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.
- ◆ Sew all (28) $4\frac{1}{2} \times 6\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.
- ◆ Sew (28) $2\frac{1}{2} \times 4\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.
- ◆ Sew all (56) $4\frac{1}{2} \times 4\frac{1}{2}$ background squares and (14) squares of each of the four accent fabrics.

The steps below are all sewn in the same corner and the same direction.

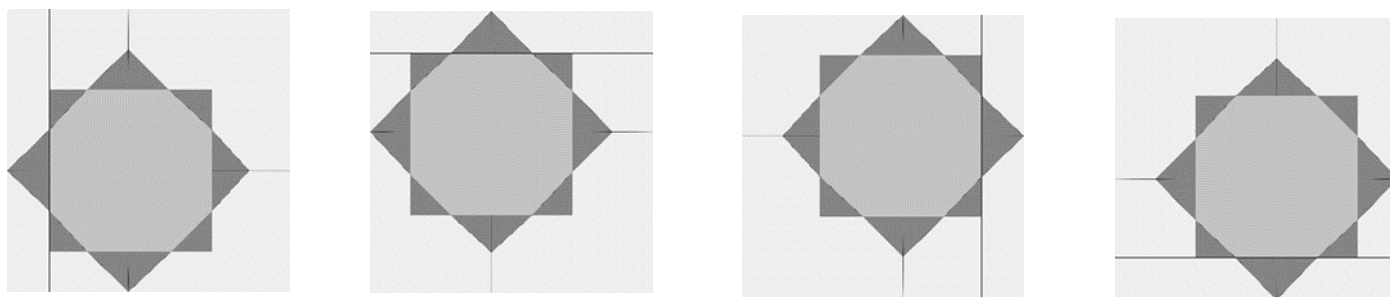

In the same way as the snowball technique before, sew one accent square to the bottom **right** corner of each background unit. See diagrams below. Note: this is a great time to string piece.

- ◆ Sew all (28) $4\frac{1}{2} \times 8\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.
- ◆ Sew all (28) $2\frac{1}{2} \times 6\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.
- ◆ Sew (28) $2\frac{1}{2} \times 4\frac{1}{2}$ background units and (7) squares of each of the four accent fabrics.

Block Construction:

Warning: If using any directional fabric follow these instructions before constructing the blocks. Take all (28) of the snowball blocks and layout in 5 columns of 5 or 6 blocks in each as shown in quilt layout. When satisfied, take each directional fabric block (one at a time) and construct block in the orientation shown in quilt layout for the corresponding place in the quilt. The 4 options are shown below.

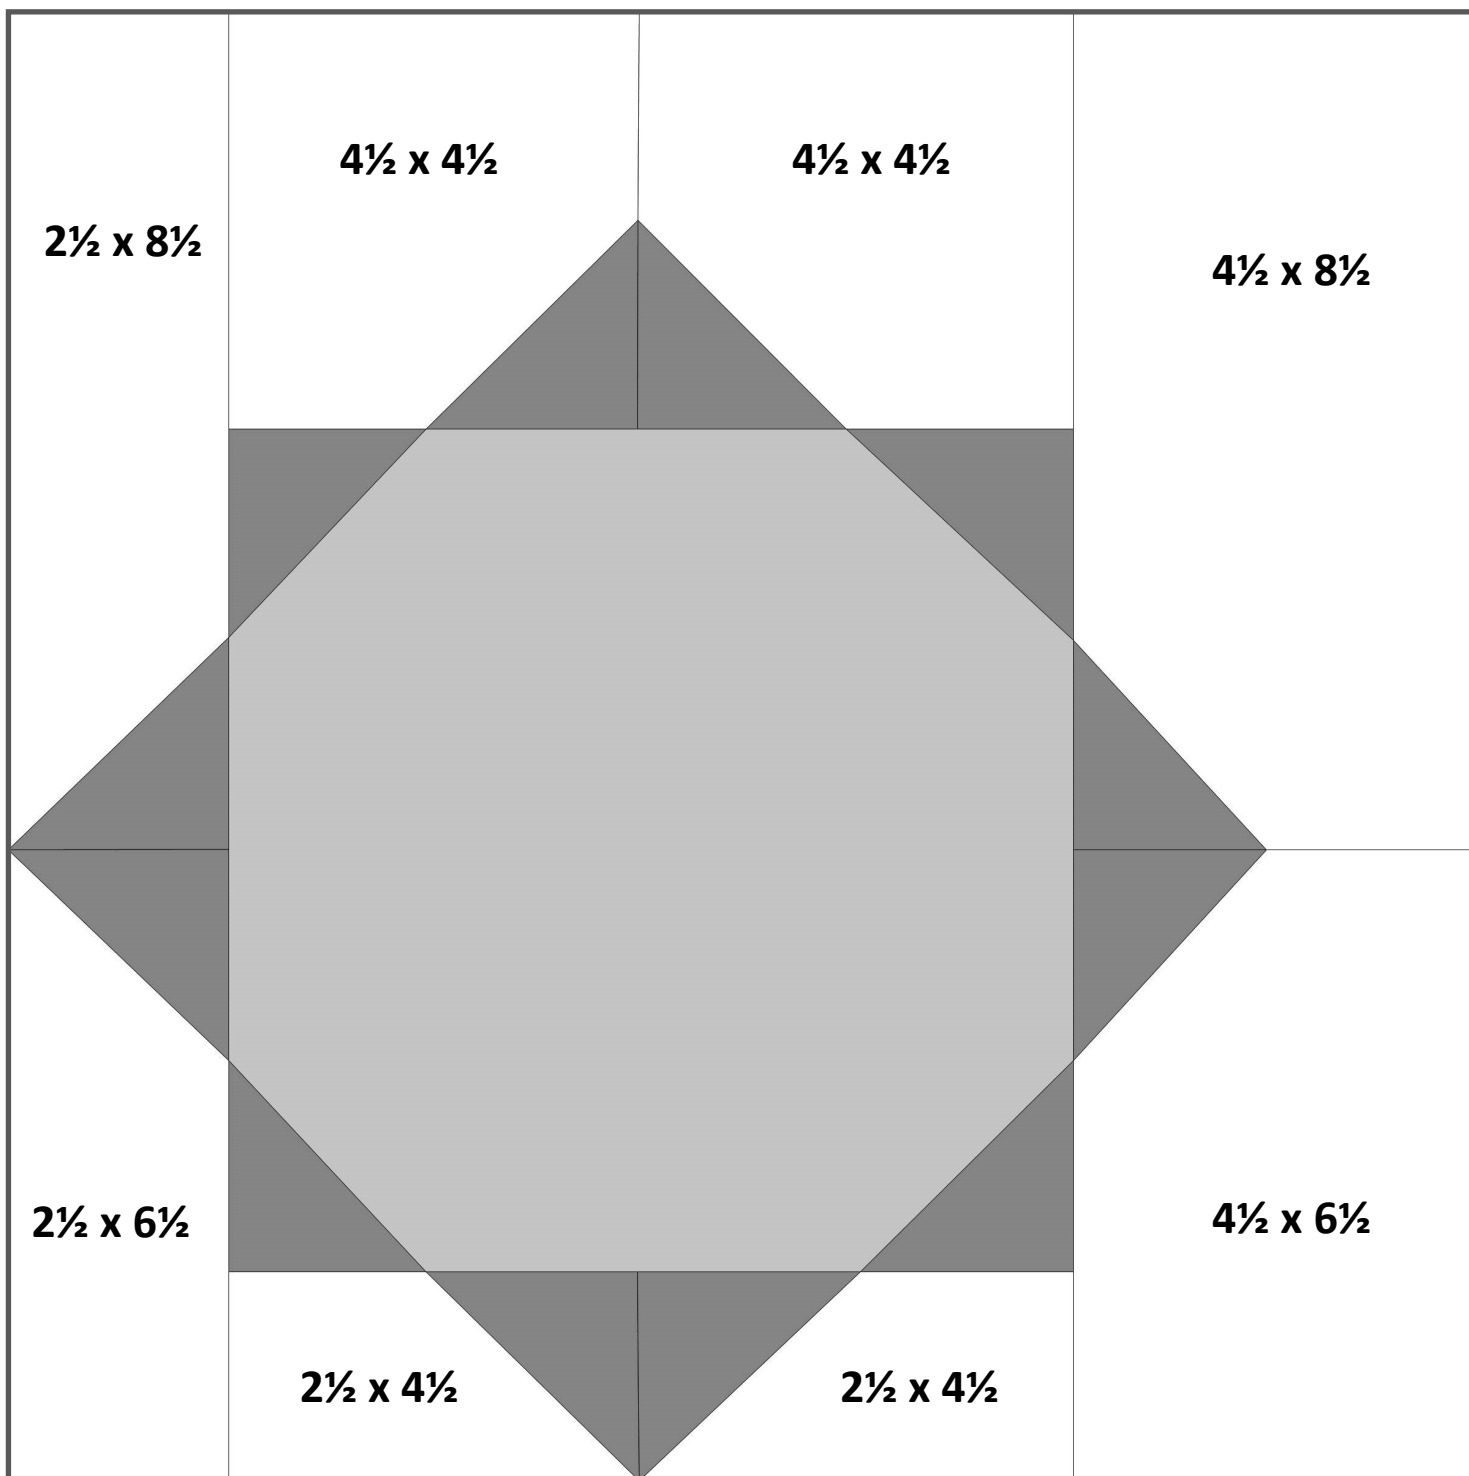

Once any directional fabric has been dealt with, take one snowball block at a time and match with the background corner snowballs using the same accent fabric.

You will need:

- ◆ 1 of each rectangle made
- ◆ 3 of the $4\frac{1}{2} \times 4\frac{1}{2}$ squares.

Arrange all the pieces as shown in block below and sew together.

Sew blocks together in columns as shown then sew columns together.

Quilt and bind as desired.
