## Construction

1. Draw a diagonal line from corner to corner on the wrong side of each fabric H square. Place a marked square on diagonally opposite corners of a fabric A square, right sides together. Sew along the marked line and trim away the corner fabric, leaving a  $\frac{1}{4}$ " seam allowance. Sew marked squares on the remaining two corners of the fabric A square and trim. Press the seam allowances toward the resulting triangles. Make five blocks.
2. Repeat step 1, sewing the remaining marked squares to the corners of the fabric B, fabric F, and fabric I squares. Make five blocks of each.

3. Sew fabric C  $1\frac{1}{2}$ "-wide strips to both long edges of each fabric G  $2\frac{1}{2}$ "-wide strip to make 3 strip sets. Cut the strip sets into 60 segments,  $1\frac{1}{2}$ " wide.
4. Sew fabric G  $1\frac{1}{2}$ "-wide strips to both long edges of each fabric C  $2\frac{1}{2}$ "-wide strip to make 2 strip sets. Cut the strip sets into 30 segments,  $2\frac{1}{2}$ " wide.
5. Join two segments from step 3 and one segment from step 4 to make a sashing block. Make 30 sashing blocks.

6. Sew fabric G  $1\frac{1}{2}$ "-wide strips to both long edges of each fabric J strip to make a 17 strip sets. Cut the strip sets into 49 sashing strips,  $10\frac{1}{2}$ " wide.

7. Join five blocks from step 5 and four sashing strips from step 6, beginning with a block and alternating them as shown in the photo to make a sashing row. Press the seam allowances toward the sashing strips. Make six rows.
8. Join five sashing strips from step 6 and four blocks, beginning with a sashing strip and alternating them as shown in the photo to make a block row. Press the seam allowances toward the sashing strips. Make five rows.
9. Sew the block rows and sashing rows together, beginning with a sashing row and alternating them as shown in the photo. Press the seam allowances toward the sashing rows. The quilt top should measure  $60\frac{1}{2}$ " x  $74\frac{1}{2}$ ".
10. Sew the fabric E  $74\frac{1}{2}$ "-long strips to the sides of the quilt top. Sew the fabric E 63"-long strips to the top and bottom of the quilt top to complete the inner border.
11. Sew the fabric D 77"-long strips to the sides of the quilt top. Sew fabric G  $4\frac{1}{2}$ " squares to the ends of the fabric D 63"-long strips. Sew these strips to the top and bottom of the quilt top to complete the outer border.
12. Layer the quilt top with batting and backing; baste. Quilt as desired. Using the fabric H  $2\frac{1}{4}$ "-wide strips, bind the edges to finish.
