# JUST PRANCING AROUND

BEGINNER |

Runner: 44" x 19"  
Deer Pillow: 12" x 16"  
Tree Pillow: 16" x 16"

Quilt design by Gwen and Jayne Carreon, featuring their signature batik collection, Winter's Magic. Is that Dancer or Dasher leaping over the trees? Either way these pillows and runner will quickly become a keepsake.

# Just Prancin' Around Table Runner & Pillows

## Table Runner

### Cutting

Cut 1 strip 15 ½ by WOF

Outer Border Ends-Align selvages (trim selvages), Cut 2- 6 ½ by 13 ½" (from selvage end)

Cut Background 11 ½ by 27"

Long Outer Border – Cut 2 – 3 ½" by 42" (out of border fabric)

The balance of the fabric will be used for the backing.

Inner Border- Cut 2- 1 ½ by 11 ½" , 2- 1 ½ by 29 ½ "

See Diagram A- PG.3

Assembly- All seams to be sewn ¼"

Inner Border-sew left and right strips on to the background. Press. Sew top and bottom Inner Border strips on and then Press.

Outer Border- Sew on left and right Outer Border Strips. Press. Sew top and bottom Outer Border strips. Press.

### Applique

Trace 3 small reindeer and 3 small trees onto paper side of fusible web.

Cut out about ¼" around tracing (bubble cut).

Press fabric and then layout tracings fusing side down onto the wrong side of fabric. (follow directions on fusing instructions). Let cool.

Arrange the pieces on background as seen in the picture.

Peel off the back paper and position with fusing side down, Press.

Continue with the balance of the pieces.

### Quilting-

Layer top, batting and backing. I use 505 on small projects. Stitch along the inside edge of the Applique pieces. Then quilt the remainder of the Table Runner to your liking. Trim and you're ready to bind.

### Binding-

Cut 4 strips 2 ½" by WOF. Sew ends at a diagonal. Trim and Press. Fold in half making a long narrow fold. Sew on using a ¼" seam. Fold to the back and sew on by hand using a blind stitch.

## Pillows

### 18" Tree Pillow

Cut 18 ½" by WOF. Sub-cut pillow top 18 ½" square. Cut remaining fabric in half. This will give you 2 pieces 18 ½ by 11".

Trace Tree pieces onto fusible web. Cut around tracing about ¼" (bubble cut). Press Tree fabric and place tracing fusing side down onto wrong side of fabric. Fuse with iron according to fusible instructions. Let cool and then cut along the tracing lines. Peel off the paper and arrange on background fabric, fusing side down. Fuse. Layer with batting and backing (fabric of choice, this will not be seen). Quilt and top-stitch the Tree. Trim and square up pillow top.

#### Assembly

Back Pieces-Finish 1 edge of each of the back pieces, 18 ½ by 11" , along the 18 ½" edge. Fold each edge ½", press, then fold over again ½", and press. Stitch down. Layering up- Lay the top of pillow, right side up. Place the back pieces, right side down, folding it back approximately 4", on top of pillow top. Pin along the edges. Using a 3/8" seam allowance, stitch around the pillow edge. Stitch top and bottom and then sides. Trim corners to take out excess fabric. Turn right side out. Use a point turner or a closed pair of scissors to carefully push out corners. Insert pillow form.

### Reindeer Pillow 12" by 16"

Cut 16 ½ by WOF. Sub-cut top 16 ½" by 12 ½" Cut remaining fabric 2 pieces, 16 ½ by 14 ½". Set aside.

Trace Reindeer shape onto fusible web. Cut around tracing approximate ¼". Press Reindeer fabric and place tracing fusing side down onto wrong side of fabric. Fuse with iron according to fusible instructions. Let cool and then cut along the tracing lines.

Peel off paper and arrange on background fabric, fusing side down. Fuse. Layer with batting and backing (fabric of choice, this will not be seen). Quilt and top-stitch the Tree. Trim and square up pillow top.

#### Assembly

Back Pieces- Finish 1 edge of each 16 ½ by 14 1/2" piece, along 16 ½" edge. Fold each edge ½", press, then fold over again ½", and press. Stitch down. Layering up- Lay the top of pillow, right side up. Place the back pieces, right side down, folding over approximately 4", on top of pillow top. Pin along the edges. Using an 3/8" seam allowance, stitch around the pillow edge. Sew Top and Bottom and then sides. Trim corners to take out excess fabric. Turn right side out. Use a point turner or a closed pair of scissors to carefully push out corners. Insert pillow form.
