# Near and Deer Table Runner

By Linda Ambrosni  
Finished Size 17 ½" x 51 ½"

## Fabric requirements:

12 Near and Deer fat eighths (9" by 20" approx.) 4 tan, 4 black and 4 gray.

½ yard Hoffman Watercolor (Style# 1895 494-Raven) for sashing and binding.

## Cutting Instructions:

From each of the Near and Deer fat eighths cut a 6 inch strip. Sub cut into 1 – 6 inch square, 2 - 3 x 6 inch rectangles, and 1 – 3 inch square.

From the Raven cut a 9 inch by WOF (width of fabric) strip. Sub cut into 24 – 1 x 9 inch rectangles. Keep 12 of these 1 x 9 rectangles, and sub cut the remaining 12 into 12 – 1 x 6 inch and 12 – 1 x 3 inch rectangles. These rectangles will be used for sashing in the Near and Deer blocks. The remaining Raven will be used for binding. You will be able to cut 3 – 2 ¼ inch by WOF strips from the additional piece. Also needed, will be a 2 ¼ inch strip from the 9 inch piece used for sashing.

## Block construction:

There are 4 Near and Deer Fabrics joined to make a block but only 3 different colors. Therefore, a color will be used more than once. Try to be as random as possible with your fabrics within a block. ¼ inch seam allowances used.

Sew a 3 x 6 inch Near and Deer rectangle (along the 3 inch side) to a 1 x 3 inch Raven sashing strip. Then join a 3 inch square of a different fabric to the other side of the Raven sashing.

Sew a 6 inch square to a 1 x 6 inch rectangle of Raven sashing and then sew a 3 x 6 inch rectangle to the other side of the Raven sashing strip.

Press seam allowances towards the Raven sashing strip.

Finally join the two segments made with a 1 x 9 inch sashing rectangle between them. The 3 and 6 inch sashing strips should be aligned to give the impression of an offset cross on the block.

Press the seam allowances towards the 1 x 9 Raven sashing piece.

## Table Runner Construction:

Arrange the blocks into a 2 by 6 block setting. Make sure that the Raven sashing units do not connect from block to block. Once arranged, sew the blocks together. Quilt and bind!
