2. Place one 7" Fabric B square on the left side of one 7" x 13 ½" Fabric F strip, right sides together (Fig. 1). **If using a striped fabric, lay the squares with the stripe running sideways (east to west).**

Sew across the diagonal of the square from the upper right corner to the lower left corner (Fig. 1). Flip open the triangle formed and press (Fig. 2). Trim away the excess fabric from behind the triangle, leaving a ¼" seam allowance.
