THE BOO CREW & GNOME ON THE RANGE

Finished Projects: 16" x 38"

Wall hanging or pillow designs by JoAnn Hoffman, featuring Hoffman Bali Batiks and a Spectrum Digital Print.

The cool part about the background fabric is that the dark half is used for Boo Crew and the lighter half is used for GOtR! You'll want to make both! One 1 1/8 yards cut of background (T4916) will be enough for both projects!
