Important Information

Before you begin read all instructions. Refer to project Cutting Chart, cut First Cuts strips as indicated in chart, then cut smaller pieces listed under Next Cuts from these strips. Use an accurate $\frac{1}{4}$ "-wide seam allowances to construct these quilts. Press seams in the direction of arrows, as they are indicated in each diagram.

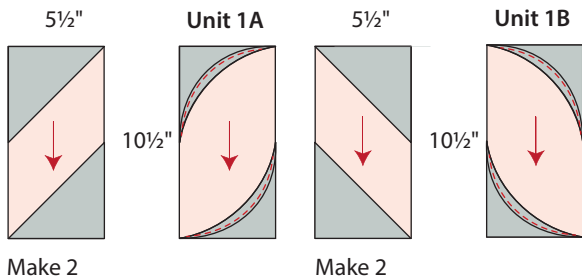

Note: Check quilt on page 1 motif fabric direction prior to sewing units and rows together. Red arrow denotes direction of fabric in step illustrations.

Making the Curved Units

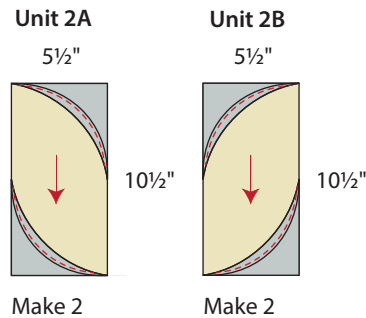

1. Fold one $5\frac{1}{2}$ " Fabric G square in half diagonally as shown. Press. Make thirty-two folded triangles.

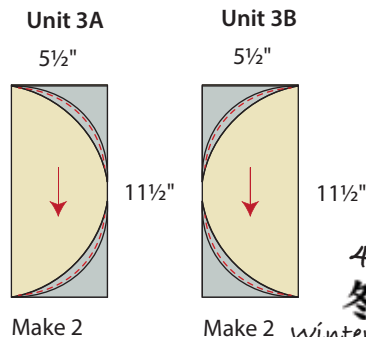

2. Place two folded triangles from step 1 on one $10\frac{1}{2}$ " x $5\frac{1}{2}$ " Fabric E piece as shown. Turn folded edge toward outside corner forming a gentle curve. Stitch close to folded edge to secure curve in place. Make four, two of each variation. Label these Unit 1A or Unit 1B.

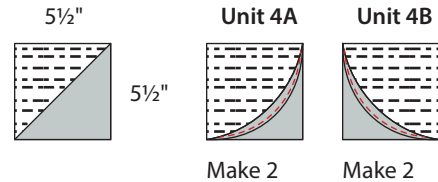

3. Place two folded Fabric G triangles from step 1 on one $10\frac{1}{2}$ " x $5\frac{1}{2}$ " Fabric F piece as shown. Turn folded edge toward outside corner forming a gentle curve. Stitch close to folded edge to secure curve in place. Make four, two of each variation. Label these Unit 2A & Unit 2B.

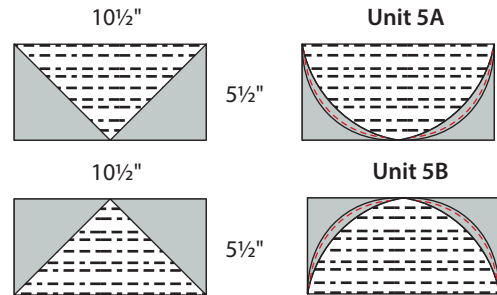

4. Place two folded Fabric G triangles on one $11\frac{1}{2}$ " x $5\frac{1}{2}$ " Fabric F piece as shown. Form curve and stitch in place. Make four, two of each variation. Label these Unit 3A & Unit 3B.

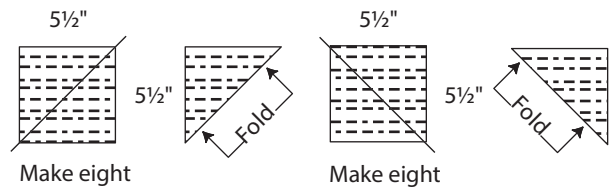

3. Place one folded Fabric G triangle from step 1 on one $5\frac{1}{2}$ " Fabric J square as shown. Turn folded edge toward outside corner forming a gentle curve. Stitch close to folded edge to secure curve in place. Make four, two of each variation. Label these Unit 4A & Unit 4B.

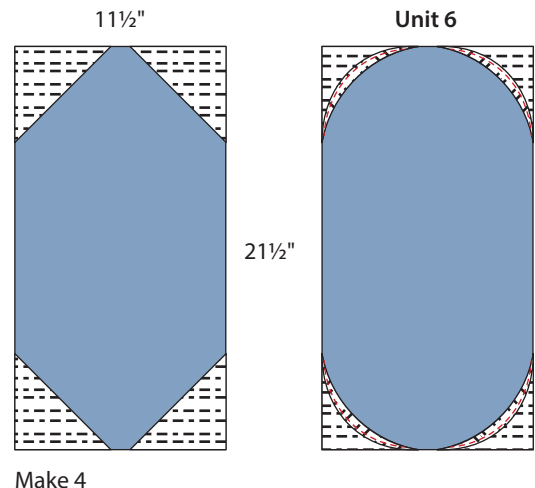

4. Place two folded Fabric G triangles on one $5\frac{1}{2}$ " x $10\frac{1}{2}$ " Fabric J piece as shown. Form curve and stitch in place. Make two, one of each variation. Label these Unit 5A & Unit 5B.

5. Fold one $5\frac{1}{2}$ " Fabric J square in half diagonally as shown. Press. Make sixteen folded triangles, eight of each variation.

6. Place four folded Fabric J triangles on one $11\frac{1}{2}$ " x $21\frac{1}{2}$ " Fabric B piece as shown. Form curve and stitch in place. Make four and label these Unit 6.

Adding the Appliqué

The finished 9" Fabric E circles for this quilt are "Fussy Cut" from motif bird fabric.

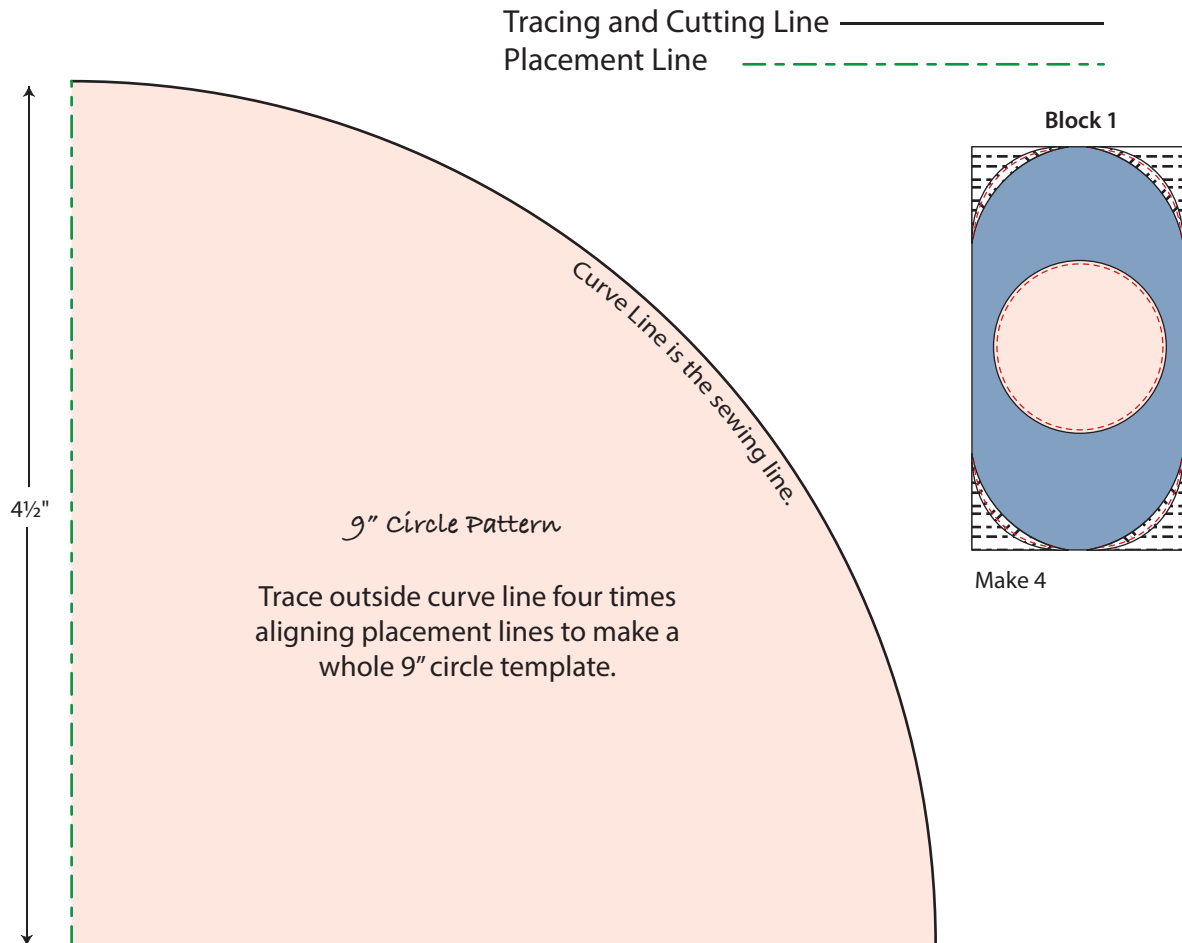

Appliqués are sewn to quilt by machine (without fusible web) or use your prefer appliqué method.

1. Trace quarter circle template on pattern paper or template plastic four times aligning placement lines to make a whole 9" circle pattern. Select the desired motif area to be featured in the circle. Trace around circle template on the wrong side of the fabric. The traced line will be your sewing line.

2. The lining will not show but it is recommended to match motif fabric background color. From lining piece, cut four 11" squares.

3. Place Fabric E marked piece right sides together with an 11" lining square. Sew on circle traced line. Cut unit approximately $\frac{1}{4}$ " from sewn line to allow for seam allowance. Make a slit in the center of the backing piece being careful not to cut the motif fabric. Turn right side out and press. Note: If additional dimension is desired add batting to the unit prior to sewing the circle. Sew on marked line. Trim batting close to stitching and fabric as noted above.

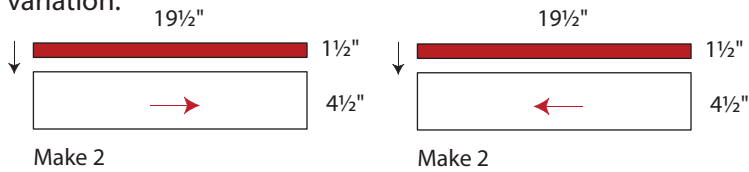

4. Center circle on one Unit 6 and pin in place. Stitch close to circle outside edge. Make four and label these Block 1.
